

Sada Chiu October 2019

QUILTER OF THE MONTH

I moved from Taiwan to the United States 45 years ago.

After getting into the world of quilting in the last ten years, and its been very great fun to join VSQ.

I'm always fascinated by the feeling of fabrics, its colors and designs, and feel free to rearrange. It's a creation freedom for me to become a quilter.

I learned a lot from you all. Thanks.

Here are some photos from the presentation
